

NAWAWI

Fashion & People Portfolio

Hello, we are NAWAWI Studio

Another approach to creative art direction.

With passion, and the precise attention to details, our team manages to give life to the still image. Ever since 2011, we began to grow our abilities and knowledge, and each project was an experience that helped us expand furthermore.

This journey gave us the capability to ensure the highest quality images and visual solutions that serves our client's needs.

What we offer is the commitment to a project, whether it was huge or small, beginning with art direction, photography, retouching, and finally, CGI. Throughout the years, we have excelled in a variety of fields including food, fashion and products.

Our aim is to provide satisfying material by having each and every element sophisticatedly dissected and compiled back together to form the finest end result.

Our Statements

1.

**Good works
Call better ones.**

2.

**Create your own
behind the scenes.**

3.

**The WOW factor
as our main goal.**

4.

**Do digital,
but never forget crafts.**
